## Personal Profile

I am a front-end developer with a passion for creating visually appealing and functional websites that provide an enhanced user experience. I keep myself up-to-date with the latest technologies and best practices in HTML, CSS, and JavaScript to deliver high-quality products to my clients. I am a proactive and driven individual who has completed several projects independently and collaborated with cross-functional teams. I am excited to join a company where I can continue to learn, grow and make a meaningful impact with my skills.

## Core Skills

HTML

CSS

Javascript

Git

Reactjs

php

## Experience

### Frontend Developer

#### Safari Wallet

**Dec 2022 - Present (1 year 2 months)**

As a Frontend Developer for Safari Wallet, I am responsible for designing, implementing, and maintaining visually appealing and user-friendly interfaces for our company platform. I collaborate closely with UX/UI designers to translate design concepts into responsive web applications using HTML, CSS, and JavaScript. Additionally, I actively contribute to optimizing website performance, ensuring cross-browser compatibility, and staying abreast of emerging frontend technologies. My role involves constant collaboration with cross-functional teams to deliver seamless user experiences and drive innovation within our platform.

### Junior Frontend Engineer

#### Safari Wallet (Internship)

**Nov 2021 - Aug 2022 (10 months)**
